

North Dakota 2018 Seasonal Job Opportunities

KC Harvey is an environmental consulting and field services firm headquartered in Bozeman, Montana; is seeking to hire for various positions for our operations in the Bakken. KC Harvey provides environmental reclamation and restoration services to our clients in the oil and gas, pipeline, and utility industries.

Positions needed include:

- Reclamation technicians
- Storm water inspectors
- Equipment operators
- CDL truck drivers
- Weed sprayers
- General Laborers
- Crew leaders/ foreman

Positions are full time and seasonal, and offer the potential for significant overtime. Positions are available between April to November 2018. Shorter seasonal positions are available for students between May and August /September. The positions are based in North Dakota, with the potential for travel and work in the surrounding western states.

We offer competitive pay with significant overtime potential. Pay is depending on experience and skills. Lodging and Meal Allowances are provided.

Projects and duties may include:

- Oil well pad reclamation seeding
- Hydro-seeding and straw mulching
- Pipeline and powerline ROW restoration and seeding
- Tree and shrub planting and watering
- Weed Control (Mowing and herbicide Application)
- Light equipment operation
- Fence installation and repair
- Storm water inspections and reporting
- Environmental monitoring and assessments
- Site assessments including mapping, and inventories of soils and vegetation

Candidates who demonstrate adequate experience and leadership skills will be hired as crew leaders/foreman and will assist with planning, preparation, and documentation of daily activities.

Applicants must be able to maintain a positive attitude and be willing to learn. Candidates must work well as part of a team and be willing to conduct long hours of fieldwork, sometimes in inclement conditions. Most implementation activities will require moderate exertion, and lifting of up to 50 lbs. Map use and interpretation skills are required. Candidates must be willing to maintain high standards of safety, have a clean driving record, and participate in pre-employment fit for duty and drug screening.
