

North Dakota 2018 Seasonal Job Opportunities

Description:

KC Harvey Environmental, LLC is continuing a tree planting project in the North Dakota Bakken area on private landowners' properties along pipeline ROW construction zones. This project includes planting of about 50,000 bare root trees using a tractor/implement. In addition to planting, irrigation drip line systems and weed mat barrier will be installed around the trees in some locations to ensure tree survival. Tree watering crews are necessary across North Dakota to consistently water recently planted trees throughout the summer months.

Positions:

We will be opening 15 seasonal positions. We need employees who are available from **May-November**. Schedule is somewhat flexible; we are willing to hire students who need to leave for school in August. We are recruiting qualified individuals for the following positions:

- Tractor operators
- Water truck drivers
- Water crew technicians
- Tree planting technicians
- Weed barrier installers
- Irrigation system installers

These are entry level positions offering a chance to gain valuable experience. This is a great opportunity to prove your worth to a private consulting company and get a foot in the door towards a career position.

Compensation:

Pay is \$15+ an hour (depending on experience) with significant potential to work overtime, up to 60 hours a week. Per diem, housing, and transportation from housing to the job site is provided.

Qualifications:

- This work will require long hours; employees should expect up to 60 hours a week working out in the field. Must be physically fit to stand, walk, sit, and bend over for long periods of time. North Dakota weather can be hot and humid; you must be able to work in these conditions.
- Must have a positive attitude and be willing to learn and work with a team
- Must be able to navigate a tablet, read maps, and use GPS
- Must be willing to share apartments (housing) with coworkers during season
- Must have a high standard of safety in the work field
- Must pass a pre-employment drug and alcohol screening

Preferred Skills:

- Tractor experience: Field operators will need farm equipment knowledge; understanding basic tractor operations in a safe manner, know how to load and unload equipment on trailers, and how to haul and backup truck/trailer combinations.
- Problem solving skills
- Class A CDL

To apply, please submit a cover letter, resume, and references to careers@kcharvey.com.
