

North Dakota 2018 Seasonal Job Opportunities

KC Harvey is an environmental consulting and field services firm headquartered in Bozeman, Montana, with regional operations in Minot, North Dakota; Odessa, Texas; Marietta, Ohio; Casper, Wyoming; and Washington DC. We are currently hiring environmental and reclamation technicians for our operations in the Bakken oilfield in North Dakota. Positions needed include:

- Reclamation technicians
- Storm water inspectors
- Equipment operators
- CDL truck drivers
- Weed sprayers
- General Laborers
- Crew leaders/ foreman

Positions are full time and seasonal, and offer the potential for significant overtime. Positions are available between April to November 2018. Shorter seasonal positions are available for students between May and August/September. The positions are based in North Dakota.

We offer competitive pay with significant overtime potential. Pay is depending on experience and skills. Lodging and meal allowances are provided.

Projects and duties may include:

- Oil well pad reclamation seeding
- Hydro-seeding and straw mulching
- Pipeline and powerline ROW restoration and seeding
- Tree and shrub planting and watering
- Weed Control (Mowing and herbicide Application)
- Light equipment operation
- Fence installation and repair
- Storm water inspections and reporting
- Environmental monitoring and assessments
- Site assessments including mapping, and inventories of soils and vegetation

Candidates who demonstrate adequate experience and leadership skills may be hired as crew leaders/foreman and will assist with planning, preparation, and documentation of daily activities.

Applicants must:

- Maintain a positive attitude
- Be willing to learn
- Work well as part of a team
- Work long hours in the field, sometimes in inclement conditions
- Be able to lifting up to 50 lbs
- Know how to use and interpret maps and GPS units
- Maintain high standards of safety
- Have a clean driving record
- Participate in pre-employment drug and alcohol test

To apply, please submit a cover letter, resume and references to careers@kcharvey.com.

While this job description is specifically for a position based in North Dakota, please understand that we are continuously recruiting and hiring the following types of people for all locations: environmental scientists, soil scientists, plant/weed/rangeland/forest/wetland ecologists, wildlife biologists, reclamation scientists and technicians, environmental/chemical/civil/geotechnical/water resources engineers, geologists/geoscientists, construction managers, business/accounting professionals, safety professionals, as well as seasonal labor positions. Please feel free to submit your application to careers@kcharvey.com for consideration for positions and locations other than the one described above.
