

2019 Seasonal Environmental Staff Scientist/Engineer

KC Harvey is an environmental consulting and field services firm headquartered in Bozeman, Montana, with regional operations in Minot, North Dakota; Odessa, Texas; Marietta, Ohio; Casper, Wyoming; and Washington DC. We are currently seeking to hire an environmental staff scientist/engineer for our operations in the Rocky Mountains. The position is full time (32-48 hours/week) hourly and based in Bozeman, Montana, with required travel to other locations for specific work assignments. This position is seasonal and will run through October 2019 and possibly longer should project needs require. Pay starts at \$20/hour.

Projects and duties include assisting our staff with:

- Storm water inspections, reporting, and maintenance
- Water quality sampling
- Soil sampling
- Mapping and inventories of soil and vegetation
- Pipeline and powerline right-of-way soil restoration and seeding
- Assist on other environmental projects
- Data management and reporting

Applicants must:

- Have (or be working towards) a Bachelor's Degree in environmental science or engineering or related field (plants, soil, forestry, land resources, etc.)
- Maintain high standard of safety culture
- Maintain a positive attitude
- Communicate well, both written and verbally
- Work well as part of a team
- Know how to use and interpret maps and GPS with solid computer skills
- Have a clean driving record
- Participate in pre-employment drug and alcohol test

To apply, please submit a cover letter, resume and references to careers@kcharvey.com.

While this job description is for a position based in Montana, we are continuously recruiting and hiring the following types of people for all locations: environmental scientists, soil scientists, plant/weed/rangeland/forest/wetland ecologists, wildlife biologists, reclamation scientists and technicians, environmental/ chemical/civil/geotechnical/water resources engineers, geologists/geoscientists, construction managers, business/accounting professionals, safety professionals, as well as seasonal labor positions. Please feel free to submit your application to careers@kcharvey.com for consideration for positions and locations other than the one described above.
