

2021 SEASONAL JOB OPPORTUNITY, POTENTIAL FULL TIME

Job Title: Stormwater Field Technician
Company: KC Harvey Environmental, LLC
Industry: Environmental Consulting
Location: South Central Wyoming

KC Harvey is an environmental consulting and field services firm headquartered in Bozeman, Montana; seeking candidates, preferably with SWPPP experience to conduct stormwater inspections and assist with erosion control maintenance activities. Successful candidates may also assist with vegetation surveys and other reclamation activities. Positions are full time and seasonal, from April through November 2021. Students graduating in May or returning to school in August will also be considered. Employment beyond these dates is possible depending on project needs. The position is based in Rawlins, Wyoming. Company provides housing and a meals allowance. Employees who demonstrate the ability to work independently will be considered for full time employment.

Primary responsibilities include the following.

- Conducts field stormwater inspections
- Identify, map, and document soil erosion features
- Recommend maintenance, repair, or replacement of stormwater erosion controls
- Assist with maintenance, repair, and replacement of stormwater erosion controls
- Update inspection and repair documentation in a digital data management system

Additional job tasks may include the following

- Conduct environmental compliance monitoring, (vegetation, erosion, reclamation)
- Identify plants using a key
- Control weeds using truck, ATV/UTV, or backpack mounted herbicide spray equipment
- Re-vegetate disturbed areas by seeding
- Assist with other land reclamation tasks

Bachelor's degree graduates and current students will be considered for these positions. Candidates with experience in stormwater inspections and maintenance are preferred. SWPPP certification is also preferred. Applicants must be able to maintain a positive attitude and be willing to learn. Candidates must work well as part of a team and be willing to work outdoors doing fieldwork. Map use and interpretation skills are required. Candidates must maintain high standards of safety, have a clean driving record, and participate in pre-employment drug screening. Due to vehicle insurance requirements, candidates must be 21 years of age or older as of start date.

Travel to southern Wyoming is required. Pay DOE from \$16-22/hour plus overtime. Lodging and a meal allowance are provided.

To apply, email a cover letter, resume, transcripts (unofficial or official), and a list of three references to the address below. **Positions open until filled.**
